

We have a very simple ethos

Natural is beautiful

We love Nature, we love organic. Where possible, all of our ingredients are organic or completely natural. We even use aroma therapy oils for fragrance.

Beautifully packaged Beautifully made. - Advertising YOU

ATaste Of The Range:

Cleanser

Soft and luxurious skin cleanser for vibrant, healthy skin made with English Lavender, English Chamomile and Sea Buckthorn. The natural phytosterols in sea buckthorn will help stimulate the natural skin repair process.

Toner

Naturally perfumed with the scent of organic Lavender.

Face mask.

Our rejuvenating face mask is both easily applied and removed, with sensational results. Mask will not dry hard.

ABalancing Facial Scrub.

Normal to Combination skin with GroundAlmonds and Olive Kernels to exfoliate, moisturise and balance the skin.

Collagen eye gel

Collagen, PureAloe Vera Gel and extract of Cucumber with natural brightening agents to brighten your eyes and repair/tighten the skin. Improves the appearance of fine lines by utilising natural ingredients which are rich in Vitamins, Omegas andAnti-oxidants.

Collagen Face Cream

With added pure Neroli is rich in natural Vitamin C to encourage your skin to produce natural Collagen which aids healthy, vibrant and wrinkle free skin.

“Simple, Beautiful and Natural”
